

Camp Karluk Scout Program

Below are only some of the highlights of the Scout Program. The complete detailed program will be included in the welcome package at camp.

Friday welcome event: Scouts will be given a challenging game to be completed at their leisure throughout the evening and next couple of days with clues obtained from various places on site.

Friday evening: Everyone is invited to don their Bartlett costumes and proceed to the swimming beach for the opening festivities that will include special guest Captain Bob Bartlett (Steve O'Connell) and fireworks.

Saturday and Sunday program: As always this year's camp promises to have something for everyone. An all-day hike will let you explore the area around Camp NorWes' and learn some skills along the way – *Be Prepared*.

- Leather work and fly-tying may be something that you'd like to try.
- Favourites like orienteering and canoeing are on the schedule again.
- Get down and dirty on the Mud Run.
- Sing your hearts out at the Campfire on Saturday evening.
- Have fun at the Nor'Wes Idol competition on Sunday night on the Main Stage.
- And other events being finalized

Pre-Jamboree Scout Challenges

- 1) As it was stated on the web site earlier, the costume for the Jamboree is up to you. It should however represent Capt. Bob Bartlett and the life he lead. A little research will lead you in the right direction. See "The Look" on the Camp website at www.scouts.nfld.net/pages/camp_karluk_2009.html.
- 2) Each Troop is asked to have a flag of their own design showing Bartlett's life and accomplishments. You will also need to have a working gate for the entrance to your campsite.
- 3) The flag and gate will be judged during the weekend and announced at the closing on Monday.
- 4) Troops are asked to have a song, skit and cheer prepared for the Saturday evening campfire.

You can email me at cmnelson@nfmil.net with any questions about the Scout program.
